BOUNDARY EXTENSION : J.S. HULENA
COROMANDEL COUNTY

1. Referring to your memo 13/1342 of 3 December addressed to the District Commissioner of Works, Auckland instead of Hamilton, the site of the proposed extension of a boundary fence by Mr Hulena has been inspected and found to be two to three miles beyond the nearest road.

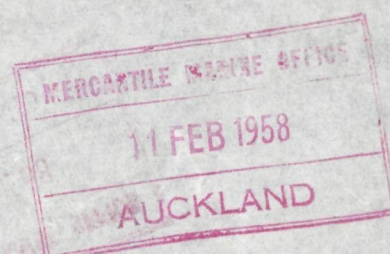

2. The foreshore is not visited by the public generally and I am not aware of any reason why the application should not be granted.

Dear Sir:

With reference to your letter of the 5th^N November 1957, which I regret I have not been able to acknowledge at an earlier date, and concerning Mr. Hulena's application to extend his boundary fence near Colville Bay, I have to advise that this matter is receiving Departmental attention, and you will be further communicated with herein, in due course.

Concerning your enquiry regarding charts, I have to advise that neither Chart No. 3797 nor 1896 (Auckland Harbour and Approaches) are available at present, and unfortunately no indication has been given as to when new supplies are expected. The prices of same are 10/6d. and 12/9d respectively (postage free), when available.

Yours faithfully,

(R. A. Squire)
Dist. Administration Officer.

Dear Sirs,

Please find enclosed an application form and duplicate plans of the locality and structure that we wish to erect to make our new boundary fence stock proof.

As the drawing shows the extension of the fence would be approx. 60 Ft. from the shore line to a group of rock outcrops the inshore end of which are on the Six Oclock high tide mark.

This structure should not be any additional hinderance to navigation as the area is studded with rocks anyway.

1896/ I would be pleased if you could forward me Chart No 3797 which I believe covers this area. If a large scale map of the AUCKLAND HARBOUR & APPROACHES is available I would like one of those too. I could pay for these by return post.

Hoping that you can assist me with these matters.

I remain,

Yours truly,

H. J?Blakie
